

HONOR YOUR LOVED ONES

With a Contribution to County of San Diego Parks

HERE ARE THREE WAYS TO PAY YOUR MEMORIES FORWARD:

- 1. Donation to the San Diego County Parks Society**

Visit sdcps.org to make a financial pledge to support park programs and special events. Gifts are tax deductible, and can be allocated toward specific locations and causes.
- 2. Naming Rights Tribute**

Our robust naming rights program features dozens of opportunities to name trails, sports fields, playgrounds and other recreational amenities, starting at \$1,000 for 5 years. Email askparks.lue@sdcounty.ca.gov to learn more.
- 3. Memorial Bench Installation**

The County oversees about 150 of the more than 2,000 parks in San Diego. Memorial benches can be added to some of those properties based on available space and park design, and are installed to match park aesthetics.

 - A full list of County-managed properties is searchable on sdparks.org. If your desired property is listed, email askparks.lue@sdcounty.ca.gov for more information.
 - If your desired property is not listed, we encourage you to visit getoutsidesandiego.org – a comprehensive website listing all of the parks in the region by land manager so you know which agency to contact.
