Frozen II

Thank you for participating in our first-ever Summer Movies in the Park AT HOME series. We've designed a special set of activities for you – themed to match this week's movie selection.

Step 1: Decide How You Will Watch

You can view movies on your TV, tablet or phone. This particular movie is available to stream on Disney +, and rent on Redbox, Amazon Prime Video and On Demand.

Step 2: Plan Your Activities

Scroll through our activity, craft and recipe ideas to decide how you'd like to play along. Shop for any missing items on the "ingredients" list, and block time in your calendar to watch the movie with your family and friends.

Step 3: Set Up Your Space

Bring the outdoors inside. Set up your living room like you would at the park. Pull together your blankets and lawn chairs, or even a picnic!

Step 4: Tune In

The timing is up to you, but we'd love to hear from you on the Facebook event page we set up for this movie showing. We will not be streaming live, but we'll be online and ready to engage on the movie date!

Step 5: Participate in Contests for a Chance to Win Giveaways

To be entered for our weekly giveaway, compliments of our title sponsor Rose SD Realty, text MOVIE to 474747 before 11:59 p.m. on event day. Your entry will also be rolled into the pool for a grand prize, once the season is over on Aug. 17, 2020.

AWESOME ACTIVITIES - FREEZE DANCE GAME

Dance until the music stops, then freeze where you are!

Fun tip: If you have an Alexa or Google Home, you can ask it to open Freeze Dance and it will play with you.

Before You Start:

- Designate an open area free of obstacles. If objects are present that cannot be moved, point them out and remind everyone that they must be careful not to touch another person or object.
- Have a radio or music player ready with a fun station or playlist.

How To Play:

- In this activity, everyone dances as the music plays.
- When the music stops, each player must freeze immediately and hold that position until the music begins again.
- If a player does not freeze immediately, s/he does 10 jumping jacks during the start of the next round and then rejoins the dance.

Variations:

- Make an interesting shape with your body when the music stops and try to hold your pose until the music starts again. You can try to make a triangle, circle, square, or even try an animal shape.
- Assign players as a look-out and have them pick out a unique dance move. When the music stops, they demonstrate the move for everyone; the group tries the new move at the start of the next round.
- Rather than have players do 10 jumping jacks, have them act as DJ.

RAD RECIPES

Frozen Hot Chocolate

Ingredients:

- 4oz semi-sweet chocolate (or milk chocolate, your favorite kind)
- 1 tablespoon store-bought hot chocolate powder
- 2 tablespoons granulated sugar
- 1 ½ cups milk
- 3-4 ice cubes
- Whipping cream for topping, optional

Directions:

1. Chop the chocolate into small pieces and melt in the microwave on half power, stirring every 20 seconds
2. Once melted, add hot chocolate powder and sugar, stirring until well blended. Slowly stir in ½ cup milk, stirring until smooth. Cool to room temperature.
3. In a blender, add the remaining 1 cup milk, chocolate mixture, and ice. Blend well until smooth. Taste and add more ice if you want it thicker, and another spoonful of hot chocolate mix if you'd like it sweeter
4. Serve immediately, topped with sweetened whipped cream and chocolate curls, if desired.

RAD RECIPES

Melted Olaf

Ingredients:

- 1 cup chocolate chips for melting
- 16 oz. container of vanilla yogurt
- Orange candy for the nose (such as Mike & Ikes)
- ½ cup mini chocolate chips
- Small royal icing candy eyes
- Parchment paper
- Small serving cups
- Ziploc bag or pastry bag

Directions:

- Make the chocolate arms & hair in advance so they have time to cool.
 1. Chop the chocolate into small pieces and place in a microwave safe bowl. Heat for 20 seconds and stir. Add a teaspoon of coconut oil if the chocolate hardens. Heat for 20 more seconds if necessary.
 2. Pour the melted chocolate into a pastry bag or a Ziploc bag with a tiny hole cut into the corner. The smaller the hole, the more control you will have over the chocolate lines.
 3. Draw the arms and hair freehand on a piece of parchment paper. You could create a template for yourself if you need lines to follow.
 4. Let them set in the fridge for at least two hours (or overnight). They will be brittle, so use extra care when handling them.
- Assembly:
 1. Spoon the yogurt into small serving cups
 2. Add the orange candy nose, chocolate chip mouth, royal icing eyes, and then the chocolate arms and hair twigs.
 3. The candy nose will begin to “melt” into the yogurt, so plan to take photos shortly after you add them, and enjoy!
